00:00:00

**S01:** What is famous at Guilin?

00:00:02

**S02:** So, according to the website that I found, it says that Guilin, being the forest of osmanthus, probably has plenty of osmanthus products.

00:00:18

- **S02:** So, aside...

- **S01:** What is osmanthus product?

00:00:24

**S02:** What osmanthus... Do you know what is osmanthus? Oh, osmanthus in Mandarin is gui hua.

00:00:34

**S01:** So, this is the gui hua? The flower, it look like the locus... What... That one is called... Like the ji dan hua?

00:00:46

**S02:** Oh.

00:00:47

- **S02:** I don't...

- **S01:** Something like that, right?

00:00:49

**S01:** I see the colour and the flower.

00:00:53

**S02:** Maybe. I don't recall seeing ji dan hua.

00:00:59

**S01:** Okay. So, okay, continue. What is... what we can... something that we can buy from there? Their products.

00:01:10

- **S01:** Osmanthus products.

- **S02:** Yes.

00:01:15

**S01:** They will make into what?

00:01:17

**S02:** Gui hua cha.

00:01:19

**S01:** Okay.

00:01:20

**S02:** Sweet osmanthus flower tea. So...

00:01:25

**S01:** I think we should buy this, because if we are going there and that is their osmanthus products, then we should buy and try.

00:01:36

- **S02:** Apparent-

- **S01:** So that we... So that at least our trips... I mean, this is the purpose for visiting Guilin.
